Dear CACH,

I currently live at 145 Sutphen St in Santa Cruz and have resided here over twenty years. My wide and I are adamantly opposed to having a moratorium on towing expired registration vehicles and not towing vehicles with 5 or more tickets! The state of California has well established and responsible towing and vehicle code laws. Please, do not subvert them with misguided intentions!

The Safe Spaces Program run by the Associated Faith based Community AFC is a program specifically for people who are homeless, living in vehicles on our streets, and addresses much of this issue and concern.

Regards,

Alan Porter, concerned Santa Cruz resident, 145 Sutphen St, Santa Cruz, CA 95060
