I am emailing in response to a post by SCPD:

"Community Advisory Committee on Homelessness (CACH) will be discussing overnight parking and a potential moratorium on towing vehicles with expired registrations, and not towing cars with five or more parking tickets."

Please do not further dilute our local law enforcement body's ability to enforce laws. If a vehicle is accumulating tickets and needs to be towed, it should be towed. Law enforcement should be allowed to enforce laws, and that enforcement should be the same for every individual living in the county. I am opposed to selective enforcement as this upcoming forum seems to recommend, and opposed to continually diluting the already limited ability of SCPD to do their job and keep our communities safe.

Regards,
Haley
