Dear City Council and CACH, I am writing in regards to the CACH's proposal to put a moratorium on towing vehicles. This is an extremely irresponsible proposal. There are currently many dangerous vehicles on the road in Santa Cruz. Many vehicles have bald tires, missing gas caps, leaking tanks, broken mirrors, blocked windows and more. The SCPD has a very important job to do in ticketing these vehicles to ensure they are made safe so as not to endanger the drivers and other vehicles on the road. Should you impose a moratorium on towing, you will be stripping the SCPD of its only enforcement mechanism and thus endangering public safety. Be responsible. DO NOT IMPOSE A MORATORIUM ON TOWING. The people of our community deserve to be safe.

What the kids of PCS are witnessing on Delaware/Natural Bridges and Mission St Ext is unbelievable. There have been reports of attempted drug dealing to the kids. It is scary to walk past these vehicles even for me as an adult, also often there are mean, dangerous dogs, sometimes without leash ready to attack protecting their home and owner.
The kids deserve a safe radius around their school especially as a lot of them are walking or biking as well as parking on Natural Bridges/Mission St Ext and walk from there and leaving on foot for lunch break/free periods.

Thanks for all you do!
