I support the Santa Cruz Police enforcing all laws – including the towing of vehicles with expired registration and/or multiple tickets.

The More YOU Know
Community Advisory Committee on Homelessness (CACH) will be discussing overnight parking and a potential moratorium on towing vehicles with expired registrations, and not towing cars with five or more parking tickets.

SCPD shares this update to inform and allow community members to voice their opinion. SCPD is not advocating for less or non-enforcement.

The CACH discussion is TOMORROW 6 PM – 8 PM at the Santa Cruz County Veterans Memorial Building 846 Front St, Santa Cruz.

Please let the CACH and Council know your thoughts.

Community input to direct the process is critical. Diluting law enforcement abilities will delay the tools to encourage respectful behaviors in neighborhoods.

The Association of Faith Communities (AFC) runs a program specifically for people who are homeless and living in vehicles. https://www.afcsantacruz.org/safespaces-program.html
