> Please do not give any consideration to enacting a moratorium on towing RVs with expired registrations or those with 5 or more unresolved citations. West
> Cliff Dr. parking lots near Steamer Lane are full of such vehicles that take
> up parking spots all day. The Coastal Commision requires coastal access for all, but this is defeated by lack of local enforcement on RVs who remain in one spot all day. The same conditions can be observed at the end of Delaware Ave. Trash, raw sewage, needles, quality of life law infractions etc.
> are all impacts related to scofflaw RV or car owners who have no respect for our city. Do not be swayed by the argument that families with children are in this situation - drug addicts and scofflaws are the main problem here.
