---

I just heard there is a meeting on a moratorium for towing vehicles with expired registrations/5 or more tickets. I cannot attend this meeting but want to offer my opinion as a lower Westside homeowner and the mother of a homeless adult living in our county.

I'm for the moratorium, but not it's not an easy opinion. My son lived in his car for 9 months downtown. That was his only shelter. The only community he had was downtown, and when he worked, it was downtown. I know he wouldn't have been able to stay anywhere else and maintain mental health. And yet as a long tome community member, I'm not thrilled with the RVs in my area.

Just wanted to throw this out there.
Thanks,
Heather Mietz Egli
