Dear CACH,

As a Westside resident, I'm personally harmed by the people who camp in their vehicles on my street. Usually these vehicles have various violations that make them unsafe, and almost none have anything resembling sanitary equipment. That means human waste on our yards and in our streets. If they can't be towed, how can the public be protected?

Below is a letter from Westside Neighbors. Every word resonates fully with me.

I am writing in regards to the CACH's proposal to put a moratorium on towing vehicles. This is an extremely irresponsible proposal. There are currently many dangerous vehicles on the road in Santa Cruz. Many vehicles have bald tires, missing gas caps, leaking tanks, broken mirrors, blocked windows and more. The SCPD has a very important job to do in ticketing these vehicles to ensure they are made safe so as not to endanger the drivers and other vehicles on the road. Should you impose a moratorium on towing, you will be stripping the SCPD of its only enforcement mechanism and thus endangering public safety. Be responsible. DO NOT IMPOSE A MORATORIUM ON TOWING. The people of our community deserve to be safe.
