Dear City Council and CACH,

The CACH's proposal to put a moratorium on towing vehicles seems like yet another poorly thought-out idea. The state requires vehicle registration to be kept up to date. Why should some people get a pass, while others have to comply? This is unfair. There are currently many dangerous vehicles on the road in Santa Cruz. Many vehicles have bald tires, missing gas caps, leaking tanks, broken mirrors, blocked windows and more. The SCPD has a very important job to do in ticketing these vehicles to ensure they are made safe so as not to endanger the drivers and other vehicles on the road. Should you impose a moratorium on towing, you will be stripping the SCPD of its only enforcement mechanism and thus endangering public safety. Be responsible. DO NOT IMPOSE A MORATORIUM ON TOWING. The people of our community deserve to be safe. Individuals in a society should be treated equally, not one group held less accountable than another group.

Thank you.
