

POLICY TITLE      VEHICLE REPLACEMENT PROGRAM

POLICY STATEMENT:

City vehicles will be replaced based on their overall cost effectiveness. Such factors as mileage, maintenance costs, operating costs, and resale value will be considered. The Superintendent of Central Maintenance will recommend to the Director of Finance which vehicles to replace.

Vehicle Purchases — Mileage Considerations

Fuel efficiency will be considered as a factor whenever the City vehicles are purchased.

AUTHORIZATION: Council Policy Manual Update of November 17, 1998
