

POLICY TITLE      USE OF SANITARY LANDFILL

POLICY STATEMENT:

The sanitary landfill of the City of Santa Cruz may be utilized only by Santa Cruz City residents, unless special arrangements are made with the approval of the City Council.

Note added per September 28, 1982 Council Action:

Council will allow use of City owned landfill only by City residents and those designated by City Council action until such time as the City has guaranteed a new landfill site.

AUTHORIZATION: Council Policy Manual Update of November 17, 1998 :
