

City Council

The City Council is comprised of six Councilmembers and a Mayor. They are the legislative and policy-making body of the city government. The Council determines the City budget, appoints and removes certain officials, and generally establishes the strategic plan and policies for our City. They are elected at-large by city voters and are directly responsible to the people.

The term of office for a Councilmember is four years and a Councilmember may serve a maximum of two consecutive terms. Each year, the Council elects one of its members to serve as Mayor for a one-year term. The Mayor presides at all Council meetings and is recognized as the head of the city government for all ceremonial purposes.
