

# Go Solar Santa Cruz

## Regional Solar Contractors

This list of regional solar contractors is for the convenience of residents and developers considering solar technologies. The list is not all inclusive and the City of Santa Cruz does not endorse the companies listed. Consult [www.gosolarcalifornia.org](http://www.gosolarcalifornia.org) for a more comprehensive list. If you are a solar contractor and want to be added to this list, please contact the Green Building Program Environmental Specialist at (831) 420-5124.

| Business Name & Address                                                      | Contact Information                                                                                                                                                                             |
