NEIGHBOR CONSENT FORM FOR BLOCK PARTY

A street closure has been requested for a block party on your street.

Consent is needed by residents who live on the street affected by the closure, including residents of homes on the corners.

Event invitation/flyer should be attached.

Note: A separate written **notification** will be given to neighbors within a three (3) block radius if planning to have amplified sound.

The notification is to provide neighbors with information and does not serve as an invitation.
