Important Information for Volunteers

What you should know as a CitySERVE Volunteer

- I. **CitySERVE is provided as a partnership** between the Volunteer Centers of Santa Cruz County and City of Santa Cruz. However, the program is fully funded by the City of Santa Cruz.
- II. **Insurance:** All volunteers registered with the CitySERVE Volunteer Program are covered by the Volunteer Centers' Volunteer Insurance.
 - a. Volunteers ARE NOT covered under the same Worker's Compensation policy as paid City staff, and CitySERVE does not provide professional liability insurance.
 - b. If you are hurt or have an accident while on assignment, please inform your supervisor immediately. Complete the **CitySERVE Accident Report Form** with your supervisor and send it to the CitySERVE office.
 - c. The three types of insurance CitySERVE carries are as follows: **Personal Accident Insurance, Liability Insurance, and Excess Automobile Insurance.**
 - d. **Volunteers are not allowed to drive City vehicles.** Volunteers who drive as part of their volunteer assignment are required to carry their own automobile insurance; the volunteer will be covered by the Volunteer Centers' excess liability automobile insurance. All volunteers are provided with this excess auto insurance.
- III. **Prohibition Against Discrimination:**
 - a. The Volunteer Centers of Santa Cruz County provide you protection against discrimination. This nondiscrimination policy states that "No person shall, on the grounds or race, color, religion, age, disability, national origin, sex, sexual preference, marital status, ancestry or medical condition, veteran status, physical size or characteristics, be excluded from participation in, be denied benefits of, or be subjected to discrimination in any program conducted or funded by the Volunteer Center". If you feel you have experienced discrimination of any sort, please contact the program coordinator @ 420-5403 or Executive Director of the Volunteer Centers of Santa Cruz County @ 427-5070.
- IV. **Fingerprinting:**
 - a. Some volunteers need to be fingerprinted before beginning their volunteer position. Please confirm with your supervisor whether or not you need to be fingerprinted.
 - b. In the event that you are required to be fingerprinted, your volunteer supervisor will need to fill out the appropriate fingerprinting form and submit it to the Human Resources Department with your CitySERVE Volunteer Paperwork. At this time, a fingerprinting appointment will be set up.
- V. **Reporting Volunteer Hours:**
 - a. CitySERVE Volunteers are required to report their volunteer hours every month. This applies to ALL volunteers and interns.
 - b. Volunteer hours are important for a couple reasons:
 1. Volunteers often like to have a record of their hours for future reference in their endeavors.
 2. Our insurance requires that all insured volunteers report their activity.
 3. We must report how many hours our volunteers perform quarterly to the City Council.
 - c. You may report your hours the following ways:
 1. Hard copy timesheet
 2. Some departments use group time rosters. In the event you are a volunteer in a program that uses group time rosters, you should get instructions from your volunteer supervisor on reporting monthly hours.
 - d. If you have questions about reporting your volunteer hours, contact the CitySERVE office. **Please remember you must report your volunteer hours for each month as a requirement of the program.**
- VI. **End of Volunteer Position:**
 - a. Please make sure your supervisor is aware that you will be ending your volunteer involvement.
 - b. Please notify the CitySERVE coordinator that you have concluded your volunteer position, either through an email, phone message, or in person, so that we can keep our database up to date.
- VII. **CitySERVE Office:**
 1. Office hours: Monday -Thurs (8:00-11:00AM) Friday (1:00-4:00PM)
 2. The office is in the Parks & Recreation at 323 Center Street, Santa Cruz

CityServe

VOLUNTEER INSURANCE INFORMATION

While the CitySERVE Program has an excellent safety record for its volunteer programs, it is important for you to understand the types of volunteer insurance you are covered under as a CitySERVE volunteer.

Each volunteer is eligible for three kinds of insurance. These policies provide coverage for you while participating in volunteer activities as a CitySERVE volunteer.

The insurance policy certificates are held by the Volunteer Centers of Santa Cruz County. This is not a substitute for any insurance you may now carry, and only applies while you are performing your assignment as a volunteer in the program and while on your way to and from your volunteer site. Complete information regarding volunteer insurance is available from the CitySERVE office.

Accident Insurance:

Our volunteer insurance provides **excess medical coverage** up to \$25,000 per occurrence over and above any other existing insurance. This excess medical coverage is meant to ensure that you, as a volunteer, do not have any out-of-pocket expense due to a volunteer related injury. Our insurance works with your insurance to cover any deductibles or co-pays so that you do not experience out of pocket expenses. If you do not have any other insurance, our insurance becomes primary for volunteer related injuries.

Liability Insurance:

All CitySERVE volunteers are provided with Personal Liability Insurance at a limit of \$1,000,000 per occurrence. This policy provides protection for a personal injury or property damage liability claim arising out of the performance of your volunteer duties. This coverage is in excess and non-contributing with any other valid or collective insurance you may have. This policy excludes injury or damage arising out of the use of an automobile. It also excludes errors or omissions in connection with the registered volunteer's professional services.

Excess Automobile Liability Insurance

***** You are not automatically covered for auto insurance – to be covered you must fill out a separate auto insurance form*****

This coverage protects the registered volunteer driver, while driving their personal vehicle, for bodily injury or property damage claims arising out of their volunteer activities. This policy does not apply to volunteers who are driving City owned vehicles. The liability policy is written at a combined single limit as respects bodily injury and property damage of \$500,000 for each accident. This policy excludes property damage to property owned or transported by the registered volunteer driver, or in their care, custody, or control.

Fingerprinting

All fingerprinting requests are the responsibility of each department and volunteer supervisor. However, if a volunteer/intern is working with **ANY** of the following groups/categories they are required to be fingerprinted and **MUST** pass/clear the background check:

- Any Group/Individuals aged 18 or under
- Any position(s) in which the volunteer/intern is handling money.
- Any position(s) in which the volunteer/intern is exposed to confidential information.

The Fingerprinting Process

- Department volunteer liaison notifies CitySERVE regarding which volunteer they want fingerprinted.
- CitySERVE will contact/notify the volunteer to receive the "Live Scan Fingerprint Packet" from the CitySERVE Coordinator
- Volunteer goes to a Live Scan fingerprinting office:
 - Santa Cruz County Building - Sheriff
 - Santa Cruz County Office of Education
 - Cabrillo College Campus Police
- City of Santa Cruz pays for the costs for fingerprinting.
- Volunteer/Intern returns carbon copy (Yellow) of Live Scan form to City HR
- Live Scan office notifies City HR regarding approved clearances and background check.
- HR notifies CitySERVE regarding pass/fail background check.
- CitySERVE notifies the Department Volunteer Liaison
- Volunteer receives notification of volunteer status/clearance.

If you have any questions, please contact the CitySERVE Office at:
(831) 420-5403 or cityserve@cityofsantacruz.com
