

5 WAYS TO REDUCE THE CHANCE OF GETTING A PARKING TICKET IN DOWNTOWN SANTA CRUZ

1. Park in one of the attended parking facilities (Locust Garage or Soquel/Front Garage). At these facilities you don't have to worry about your meter expiring.
2. Purchase a Santa Cruz ParkCard to use at the parking meters or pay-by-space lots. At the parking meters you can feed the meter to the daily maximum and when you return your unused time is refunded back to your ParkCard.
3. Sign up for Parkmobile pay-by-phone system. One call to start your parking session and another call to end your session. You only pay for the time you park.
4. Make sure you park completely within the parking space markings.
5. If you live or work downtown, purchase a permit to park in one of the parking garages or surface lots.
