

Open House Attendees

Business Name	Contact Name & Title	Contact #	Contact Email	Primary Services	Service Locations	Projects of Interest/ Other*
Aecom Technical Services	John Chamberlain Project Manager	408.931.8441	john.chamberlain@aecom.com	Many Service Offerings	San Francisco Monterey Bay Areas	Newell Creek Inlet/Outlet Replacement Pipeline Replacement Stream/River Diversion Rehabilitation Aquifer Storage and Recovery Water Supply Studies Aquifer Storage and Recovery Water Treatment Plant Concrete Tanks Replacment Water Treatment Plant Facility Improvements Water Treatment Plant Tube Settler Replacement Water Treatment Plant Flocculator Rehab/Replacement Tank Rehab/Replacement Well Rehab/Development
Aero-Environmental Consulting	Jorge Vizcaino President	831.277.5831	jorge@aero-enviro.com	Environmental Health & Safety	Monterey Santa Cruz Bay Area	Newell Creek Inlet/Outlet Replacement Pipeline Replacement Water Treatment Plant Concrete Tanks Replacment Water Treatment Plant Facility Improvements Water Treatment Plant Tube Settler Replacement Water Treatment Plant Flocculator Rehab/Replacement Tank Rehab/Replacement Well Rehab/ Development
Almar Environmental	Forrest Cook Owner	831.420.7923	cook.forrest@gmail.com	Environmental Consulting	Greater Bay Area	Pipeline Replacement Stream/River Diversion Rehabilitation Water Supply Studies Aquifer Storage and Recovery Tank Rehab/ Replacement Well Rehab/ Development
Ameres Co	Jonathan Kerles Sr. Business District Manager	213.610.6805	jkerles@ameresco.com	Project Design Build Financing Ownership OJM	Statewide	Water Treatment Facility Improvements Renewable Energy* Battery Storage* Water Meter Upgrades*
Anderson Pacific Engineering Construction, Inc.	Scott Schumacher Sr. Estimator/ Project Manager	408.970.9900	scott@andpac.com	General Contractor - Water/Wastewater	Central Coast Bay Area	Newell Creek Inlet/Outlet Replacement Pipeline Replacement Stream/River Diversion Rehabilitation Aquifer Storage and Recovery Water Treatment Plant Concrete Tanks Replacment Water Treatment Plant Facility Improvements Water Treatment Plant Tube Settler Replacement Water Treatment Plant Flocculator Rehab/Replacement Tank Rehab/Replacement
Atlas Engineering Services, Inc.	Fred Yubi Civil Engineer	831.426.1440	atlas@cruzio.com	Groundwater and Wells	Statewide	Aquifer Storage and Recovery Well Rehab/Development Environmental*
